

DG'S CORNER

Season's Greetings

"At the end of 2023, I would like to thank all UNIDO personnel for their dedication, commitment, and hard work. We can look back on a successful year. Indeed, the closing months of 2023 were a particularly busy time that demanded much from all of us. Together, with the support of our Member States and the cooperation of our many partners, we are building a more just and more prosperous world for the benefit of all."

Gerd Müller
UNIDO Director General
