GENERAL CONFERENCE
Ninth session
Vienna, 3-7 December 2001

LIST OF DOCUMENTS

1. At the time when the annotated provisional agenda for the General Conference was prepared, a number of documents had not yet been issued. As a result, the information in the annotated provisional agenda concerning the documents that the General Conference will have before it for consideration under the respective items may not be complete. To facilitate the work of the General Conference, the following list provides information on the documentation submitted, as of 2 December 2001, under each agenda item.

2. All participants are urged to bring with them the documents that have already been distributed, as subsequent requests for pre-session documents can be met only as long as stocks permit. Participants are also urged to bring with them UNIDO basic documents - i.e. the Constitution, rules of procedure, decisions of the General Conference and the Board, resolutions of the Committee, etc. - since, as part of its savings measures, the Secretariat is refraining from reproducing documents that have been the subject of wide distribution on previous occasions.
